

Supports animal comfort and welfare in seasons with heavy fly activity

Because of the aromatic properties of the essential herbal oils in its composition,
it helps relieve skin irritations caused by ectoparasites and flies in pets.

Baret
Fly

SPRAY SKIN CARE PRODUCT

DIRECTIONS FOR USE AND DOSAGE:

Shake well before use. For the welfare of animals living in areas with a high fly population, such as barns, apply once a week by spraying approximately 6-5 times from the head to the tail region along the body.
